BEFORE CUTTING
ANYTHING OUT!

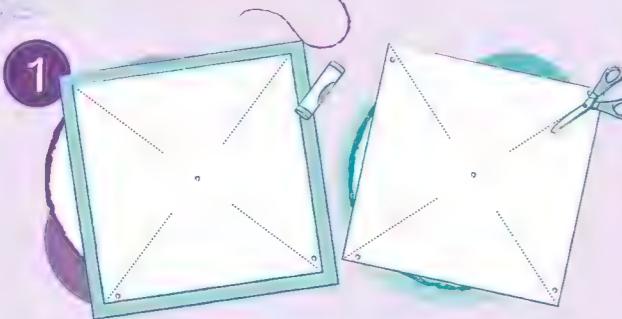

Add some color and movement
to your garden or a plant pot
with a bright pinwheel!

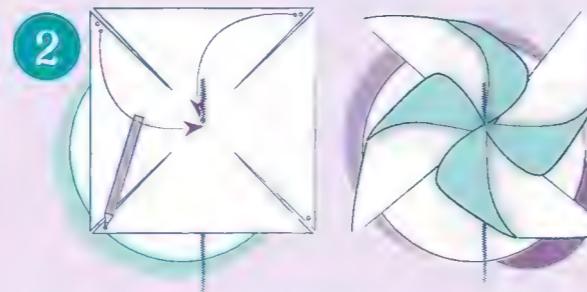

You'll Need

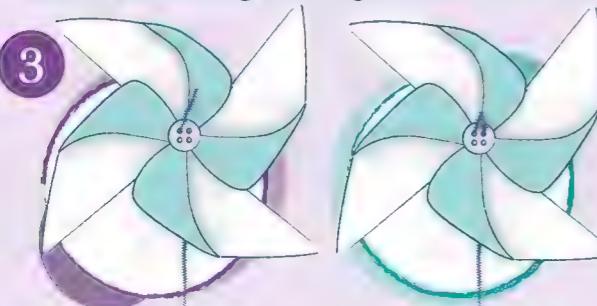

ASK AN
ADULT
FOR HELP!

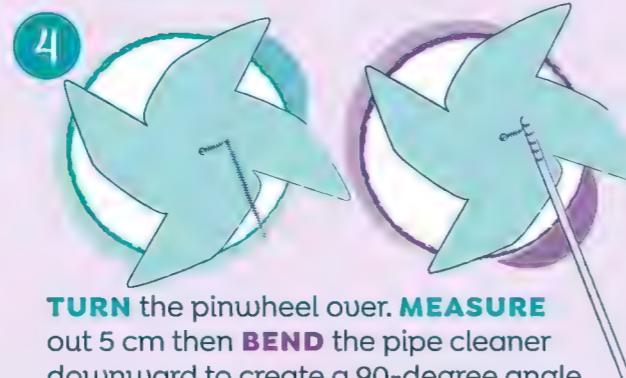

CUT OUT the pinwheel template from the next page and **GLUE IT** to some colored card stock. **CUT** along the diagonal dashed lines.

From the back, **PIERCER** the center circle with the pipe cleaner. Gently **BEND** each corner toward the center and pierce each circle with the pipe cleaner.

In the front, **THREAD** the end of the pipe cleaner through a button. **BEND** over the end and **THREAD** it back through another hole.

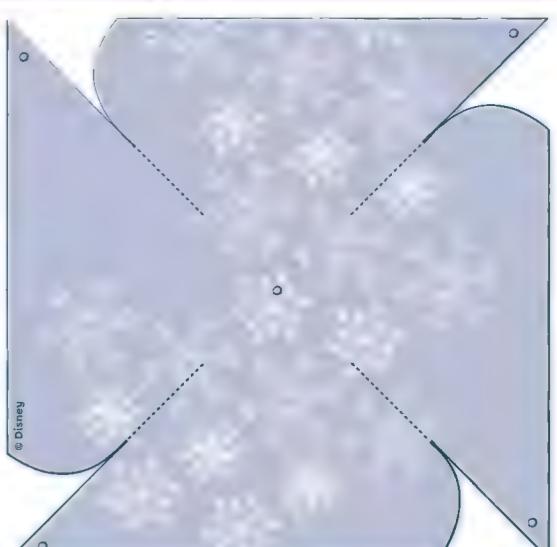

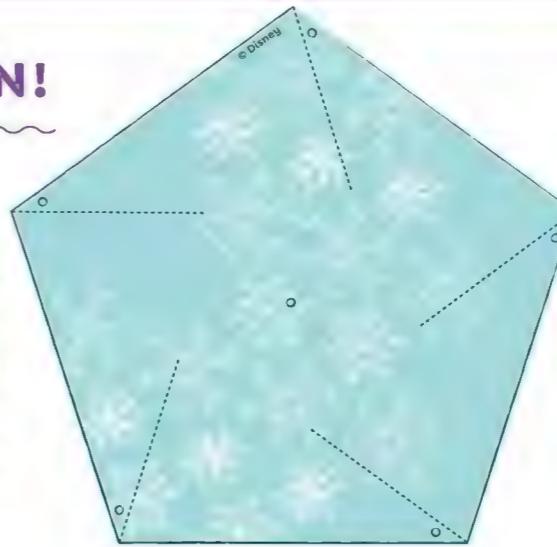

TURN the pinwheel over. **MEASURE** out 5 cm then **BEND** the pipe cleaner downward to create a 90-degree angle. **WRAP** the length going down around either a paper straw or a craft stick.

SPINNING FUN!

Get inspired by these two simple designs to create other pinwheels. **DRAW** these figures on card stock and follow the instructions on the left-hand page.

THE PERFECT ACCESSORY

CONNECT the dots to find out what the royal dressmaker is taking to the summer ball.

PRECIOUS INVITATIONS

Anna has put Olaf in charge of making some of the invitations. **LOOK** for the dressmaker's name in the image and **WRITE** it on the invitation. Then **COLOR IT** in.

The End

Sunny Days

Our Frozen friends are heading to the beach! Help them pick up all the things they need along the way.

HOW TO PLAY

This is a game for **TWO TO FOUR** players.

CUT OUT the character counters, tokens, checklists, and die from the inside back cover. **GLUE** them to card stock and **TRIM** to fit. **ASSEMBLE** the die and **PLACE** it next to the game board. **GIVE** each player a checklist.

PICK a character counter and **TAKE**

turns rolling the die and moving the number of spaces shown. Every player needs to pick up a parasol, a bucket and shovel, sunscreen, a fan, and a beach ball.

When you land on a square showing one of these items, **CHECK IT OFF** on your checklist by covering it with a token. The first player to complete their card is the winner.
